

# DAVID ADEDIJI

London, United Kingdom | 07717 812489 | [idavid.adediji@gmail.com](mailto:idavid.adediji@gmail.com) | [github.com/Ayomided](https://github.com/Ayomided) | [linkedin.com/in/dadediji/](https://linkedin.com/in/dadediji/)

I am currently a master's student in Advanced Computing program at Birkbeck, University of London. I have a keen interest in Large Language Models and how we can better scale them for use in day-to-day activities.

## EDUCATION

### Birkbeck, University of London | London, United Kingdom

Oct 2023 - Present

MSc. in Advanced Computing

Modules taken: Cloud Computing | Neural Networks and Deep Learning | Data Analytics Using R | Natural Language Processing | Big Data Analytics | Applied Machine Learning | Software Design and Programming | Data Science Techniques and Application

### Kwara State University | Ilorin, Nigeria

Sept 2017 – Nov 2021

BSc. in Computer Science

GPA: 3.12/4.00

## EMPLOYMENT

### Software Engineer | Hixai | Hybrid (London)

May 2024 – Present

- Built [Hixai.io](https://hixai.io) an entrepreneur copilot, guiding founders through the startup process.
- Developed and launched the Minimum Viable Product (MVP) using NextJS, JavaScript, and Vercel, enabling effective testing and feedback collection from our user base.
- Worked collaboratively as part of a 4-person team to architect and implement core features, ensuring seamless integration and functionality across the application.
- Streamlined the deployment workflow using modern tools and practices, reducing downtime and ensuring consistent and reliable application performance for end-users.

### Motion Designer (Contract) | Check Design Company | Remote

Jan 2024 – Present

- Collaborating with 3D artists and 2D motion designers to create engaging and effective animation videos.
- Utilizing motion design principles to ensure animations have smooth transitions, clear storytelling, and impactful visuals
- Adapting and optimizing existing video content for various reel formats, maintaining visual quality and message clarity.

### Communication Officer | Royal Heritage Health Foundation | Ilorin, Nigeria

Mar 2022 – Mar 2023

- Designed visual content and videos for health awareness campaigns to increase community engagement.
- Managed social media platforms and responded to inquiries to foster a supportive online community.
- Coordinated with the communication manager to ensure the foundations objects were met.

### Graphic Design Intern | Fullest Media | Mumbai, India

Oct 2020 – Jan 2021

- Created visual assets for marketing campaigns to increase in brand engagement across social media platforms.
- Assisted in the development of brand identity guidelines to achieve consistency in marketing materials.
- Collaborated with cross-functional teams contributing to the successful launch of several campaigns.

### Freelance Motion Designer | Nigeria

Nov 2019 – Oct 2023

- Created bespoke motion graphics and animations for clients across industries.
- Managed multiple projects concurrently while maintaining high quality standards.
- Use data-driven insights to increase in video engagement and social shares for clients' campaigns.
